

Sale Name: October Consignment Auction

LOT 12 - 1951 Allis Chalmers HD5, Crawl

Description

1951 Allis Chalmers HD5, Crawler, Located Off Site In Howard Lake MN. Last Ran Summer Of 2006 When Parked. Converted To 12 Volt, Has Coolant Leak Into Air Box Which Was Common In Those Engines-Leak Is Accessible From The Outside And Can Be Seen In One Of The Pictures. One Of The Steering Clutches (Right Side He Thinks Wouldn't Disengage So Would Only Turn Right If You Pulled Left Clutch And Went In Reverse.) Located 6 Miles North Of Howard Lake-Easy Access From Gravel Road Buyer Responsible For Loading And Transporting.

Quantity: 1
